# The WRC-BNP Requisite

(World Realist Church – Brand New People)

\* It is not without reason that our « naughtist » **Creed** is extraordinary!  
No wonder then that your questions seem to us to be lacking in **precision**.  
For answering you, give us 2 things. Let's tell us:

1 Is the tacit **mode of thought**, expressed in each of your needs? That consists in settling in which Prehistoric Social **Era** – living or deadly (West Babel) – takes place?

2 As in each of these Eras, 2 **identical-contraries** currents of the doctrine in force are opposed: on which side **do you incline**?

\* Can our Website and our USB Key help you to fill in the above previous **requisite**, and thus cement our frank and pleasant communion?

# MONSTERS

They claim: Health **Crisis**, Economic **Crisis**, Climate **Crisis**.

What sugary names! In fact:

- \* their 3 « crises » are **one and the same**; and
- \* to tell the truth, they are 3 **MONSTROSITIES**... as one!

---

Where do these Atrocities come from? Out of the 7.500.000.000 inhabitants of the Earth, there are not **750** Monsters, who are the true authors of our **Devil's Trinity**. So, the VIRUS? **It's THEM**, asocial gang!

---

Let's not skimp! This calamity is **the WORST** social crisis, **unheard of** in all human history; and these demons carry us to nothing less than the **End of the World**, if a third species of our race doesn't urgently rise up...

---

Our monsters who « shed tears over » their **crime** are the masters of our **ERA**: that of the **Fall of the West**, initiated in 1835\*. West-Babel, it's **United Nations Security Council**, NATO, and the « defence secrecy » of the band.

# SHAME ON FRANCE this DESPOTIC REPUBLIC <sup>1</sup>

BY

HIS Absolute Obscurantist SECULARISM. <sup>2</sup>

HIS Perfidious Louis-Philippardian BANNER. <sup>3</sup>

HIS Bellicose MARSEILLAISE. <sup>4</sup>

---

<sup>1</sup> V° in name only, IV° actually; because fraudulently lumping together with the Convention (21.09.1792 → 21.10.1795) and the Consulate (11.11.1799 → 18.05.1804).

<sup>2</sup> This soulless « secularism » is the icon of Western Babel, proscribing all spiritual life in the popular Masses, to cleverly cover up the Mental Arbitrariness of the ruling Caste.

<sup>3</sup> Since De Laclous (*Dangerous Liaisons*) and Philip « Equality » (1747-1793), the regicide of his cousin (Louis XVI), the dynasty has intrigued under the « subversive » mask; particularly in the Palais-Royal, the worst meeting place for gamblers and Libertines. And, in the troubled circumstances of the time, the Rhetors doing the same way as Mirabeau and Danton, true upstarts declared « Tribuns », did not fail on behalf of Orléans. Thus, in 1848, the bourgeois-King of 1830 found it very relevant that Mr Alphonse-Marie-Louis De Lamartine made the « three colours » a chokehold for the Red Flag of the true revolutionaries.

<sup>4</sup> Rouget de Lisle, rightly imprisoned under the Convention, will churn out as well as the « Hymn of 9 Thermidor »! With this, one can probe the faith of this bloke in the spirit of the Great Revolution...

# PROCLAMATION

As expected, you dare sentence my comrade Tony!

So, the mere Emanuel Kant's **DUTY** entails me to denounce what follows:

- First, your « Outrageous » court, being much worst the heir of the provosty courts during the White Terror (1815-1817);
- Then, your « Despotic » Republic, which brings Disgrace completely upon the Commonwealth of the revolutionary Year Two (1793-1794).

Drawing thoroughly the conclusion of the mammoth scandal, I assert:

- Robespierre and Napoléon could not carry off the task which History expected from them;
- Ourselves precisely must achieve the thing, while setting up the Suitable Community: as **EGALITARIAN** as Libertarian!

Such is my way to behave like an Islam soldier, brought to bay by West-Babel.

# The White Terror

---

Since January 7<sup>th</sup> 2015, with the huge and filthy « **I am Charlie!** » demonstration, the worthy heirs of the Versailles' Left in 1871 did descend upon France the **WHITE TERROR**.

The song below draws its inspiration from « **The Bloody Week** » that Jean-Baptiste Clément wrote in secret, dedicated "To the Shot" Communards.

Save for squealers and cudgelers,  
There's no-one going about  
But Moslems having the jitters,  
Immigrants are down-and-out.  
Wage-earners in depths of despair,  
Freelances undergo worry,  
Courts show themselves quite unfair,  
Gaols erected plentifully.

Hard times ceasing to exist!  
Beware the revenging  
When all the Poor will deal with it! (bis)

*Hardi, camarades !*

C'est le moment d'abattre le Colosse aux pieds d'argile : l'Occident pourri jusqu'à l'os.

Désertons le Système. Contre-société (École, Media, Justice, Police, et tout le St Frusquin) !

- Matière et Esprit sont les 2 faces d'une même et unique Réalité.

Nature et Humanité sont à Parité.

- Deux Partis accouplés forment l'assise sociale : le Féminin et le Masculin.

- Deux Valeurs combinées animent le travail : Égalité et Liberté. Ceci entraîne une double conduite : Fraternelle et Amicale.

- Le nouveau régime d'Associés authentiques implique tout à la fois la Gratuité et le Volontariat.

Tandis que les prisons sont vidées sans façon, les serrures de tout type s'en vont au musée.

De même que la Propriété privée-publicue disparaît et fait place à de simples Possessions, les Frontières sont renversées et l'O.N.U. est expédiée dans les poubelles de l'histoire.

Enfin ! La Société Convenable est là : le Comm-Anar. Sans Argent et sans Armes.

طالب فريدي - 4.12.2012.

1

Now's our time to bring down the Idol with feet of clay: the West rotten to the core.

Forsake the System. Counter-community (School, Media, Courts, Constabulary, and the whole caboodle)!

- Matter and Spirit are heads and tails of the same and single Real.

Nature and Humanity are at Parity.

- Two mated Parties make up the social basis: one Feminine and the other Masculine.

- Two combined values animate working: Equality and Liberty. This entails a twofold behaviour: Brotherhood and Friendship.

- The new regime of genuine Partners implies all at once Free Livelihood and Voluntary Service.

3

As jails are offhand vacated, likewise locks of every kind depart for the museum.

As well as public-private Properties vanish and give way to mere Possessions, Borders are overthrown and U.N.O. is consigned to the scrap heap of history.

4

Well! Well! We've got the Suitable Community: Anar-Comm. Without Money and Weapons.
