الحَقُّ أَكْبَرُ!
TRUE-REAL outdoes all!

PROCLAMATION

As expected, you dare sentence my comrade Tony!

So, the mere Emanuel Kant's **DUTY** entails me to denounce what follows:

-
- First, your « Outrageous » court, being much worst the heir of the provosty courts during the White Terror (1815-1817);
 - Then, your « Despotic » Republic, which brings Disgrace completely upon the Commonwealth of the revolutionary Year Two (1793-1794).

Drawing thoroughly the conclusion of the mammoth scandal, I assert:

-
- Robespierre and Napoléon could not carry off the task which History expected from them;
 - Ourselves precisely must achieve the thing, while setting up the Suitable Community: as **EGALITARIAN** as Libertarian!

Such is my way to behave like an Islam soldier, brought to bay by West-Babel.

إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

(We come from the REAL and return to IT.)

I AM UP FOR IT, END OF STORY!

MY Judgment

I am charged with denouncing the « Outrageous » Courts of our « Despotic » Republic¹.

Well... **I am up for it!**

Yes, « I am up for it – End of story! » After Emanuel **SIÈYÈS** – this huge...jurist – pronouncing « The Death – Bluntly! » of the conspirator Louis Capet, on January 17th 1793.

They should applaud us. . .

* It is a problem. Yes, but how so?

▪ **ONLY WE, AT LAST!** – as True Realists from the Brand New People (B.N.P.) – **DARE TO CALL A SPADE A SPADE**; besides in the nick of time, and thus warranting anything but the Public Salvation.

▪ Alas! « Whoever wants to be sober among the furious ones subjects to their rage! » (Jean-Jacques).

* All the more! Yes: Down with the **doctored** « Legally constituted » State! And Down with the **farce** of the «Independent» Law!

All things considered, it is well and truly **by violence** that I am present inside this self-declared Floor, which I look upon as a **loony bin** where the raving lunatics are not those we think about; and as a mean islet within the Hexagone's gaol.

As a result, there can be nowise any sentence passed on me. On the other hand, my commanding **DUTY**² is to try the People's enemy Institution, quite Illegitimate, with which I am dealing. At all costs!

* To shout from the rooftops that there is a **lawful Trickery** is not wholly the liking of the commanding wicked Caste! For sure, it prodigiously scares the hell out of **some of them!** Just imagine: the masses champ at the bit, since ages under the White Terror³; pining for our Gospel advocating the Suitable Community, and eager for singing it, while reviving the « Ça-Ira » round dance!

Others swagger along and say: we have got **Dough, Cudgels, Squealers'** Associations and **Ethnico-Poisonous** as much as we like; this proved itself! Proudhon and Comte outfit quite so our valuable audience warm-uppers; Bugeaud bequeathed to us his brilliant « Street War »; next Cavaignac and Thiers knew how matching the State of Siege and the **Masochistic** Suffrage. Come what may!

Thereupon, our neo-Neros would have to go and yell their refrain of mischievous morons: Secularism (!), Our Values (!), Democracy (!), Civilization (!). It's the following recipe: « the thief shouting: STOP THIEF »!

Is it an unequal contest? There is a first time for everything, WAIT & SEE...

¹ « Proclamation » Nov. 29th 2016.

² Whence « **KANT** » (Proclamation).

³ **1835**. Platform WRC-BNP.

... And they dig their own grave!

* We are aware how the “**Law Parlements**” stood in the way of the French Revolution; so that the Constituent Assembly had to get rid of them, as soon as March 24th 1790. Would it be that the present Law Faculty but churns out an obscurantist poison?...:

▪ Alexandre **de Lameth**¹, count and baron of the Empire: « As long as the Parlements will be kept, Liberty Friends will not live without FEAR, and its Enemies without HOPES » (Nov. 3rd 1789).

▪ J.G. **Thouret**²: « The judicial Guild spirit is the ENEMY of the civic regeneration » (March 24th 1790).

* How went, formerly, **the Fall of the Roman Empire** (117-312 = 195 years)? Answer: By dint of that, to the patient sermons from the Christians, the moronic Caesars responded with twice as much persecutions! At last, the **word** of the Christians showed too real, and the **action** of the Caesars too unfair; so Rome fell and died out, giving way to Constantinople...

How **the West Fall** is unfolding nowadays? It's high time for you to look at it closely!...

* **All of you**: POLICEMEN, PROSECUTORS, JUDGES, BARRISTERS, will you not ON EARTH fell ashamed of seeing come and go, in front of you, from morning still night and all year round, **the whole army of the social System's casualties**, bowing their own head, blackened; and on top of that, facing them like prebendal petty lords, scornful and **sadistic**; before imprisoning them? For certain this scandal, sooner or later, will be doomed to execration. Anyway, a proud people will put an end to it, and harshly.

Fear that your children disown you!

Your days are numbered!

VERSE

- 1** I am a genuine citizen, very responsible.
- 2** Let's call a spade a spade; and everything would be alright.
- 3** We go through the ultimate downfall of West-Babel.
- 4** France suffers from being a Despotie Republic.

I am up for it, End of story!

Lyon's High Level Court; July 3^d 2017.

BURDEN

We are in a Despotie Republic; I am up for it, End of story!

N.B.

I tell to both my accusers:

In my comments, your trifling persons are not involved.

By the way, try and make do with your consciousness, with regard to your present judge's office

What concerns me is the world's lot.

TRUTH PRODUCES HATRED

VERITAS ODIUM PARIT⁽¹⁾

Enough's! I need to give away a hell of shady goings-on & fiddlings.

Yes indeed, I am not fooled by them!

- 1** – While sending to me your Summons, you purely & simply notified to me my SENTENCE.
- 2** – So that, as appearing at today's sitting, I nowise attend to a JUDGMENT; but to a farce which must doctor the Arbitrary and the Persecution, of a genuine citizen very responsible, devoted to the Good of the Community.
- 3** – The answer to the enigma? Despotic Republic demands it!
- 4** – The Truth (tell it and shame the devil!) that the Ancient allegory describes as a naked Woman, holding a mirror, & pulled out her well⁽²⁾; this makes me decidedly assert: I am up for it/End of story; with regard to the grievance alleged by you against me, of « Contempt of Court ».

CASTED

The White Terror

Since January 7th 2015, with the huge and filthy « **I am Charlie!** » demonstration, the worthy heirs of the Versailles' Left in 1871 did descend upon France the **WHITE TERROR**.

The song below draws its inspiration from « **The Bloody Week** » that Jean-Baptiste Clément wrote in secret, dedicated “To the Shot^{ed}” Communards.

**Save for squealers and cudgelers,
There's no-one going about
But Moslems having the jitters,
Immigrants are down-and-out.
Wage-earners in depths of despair,
Freelances undergo worry,
Courts show themselves quite unfair,
Gaols erected plentifully.**

Burden:

**Yes but...
Old Order's tottering
Hard times ceasing to exist!
Beware the revenging
When all the Poor will deal with it! (bis)**

CREED

Go for it, fellows!

1 Now's our time to bring down the Idol with feet of clay: the West rotten to the core.

Forsake the System. Counter-community (School, Media, Courts, Constabulary, and the whole caboodle)!

2 ● **M**atter and **S**pirit are heads and tails of the same and single **R**eal.

Nature and **H**umanity are at **P**arity.

● **T**wo mated **P**arties make up the social basis: one **F**eminine and the other **M**asculine.

● **T**wo combined values animate working: **E**quality and **L**iberty. This entails a twofold **B**ehaviour: **B**rotherhood and **F**riendship.

● **T**he new regime of genuine **P**artners implies all at once **F**ree **L**ivelihood and **V**oluntary **S**ervice.

3 **A**s jails are offhand vacated, likewise locks of every kind depart for the museum.

As well as public-private **P**roperties vanish and give way to mere **P**ossessions, **B**orders are overthrown and **U.N.O.** is consigned to the scrap heap of history.

4 **W**ell! **W**ell! We've got the **S**uitable **C**ommunity: **A**nar-**C**omm. **W**ithout **M**oney and **W**eapons.
