

# ANAR-COMM!

(to the tune of the Internationale)

---

Popular Masses rouse,  
A new People is needed now.  
Conquer Equality and Liberty  
Let's start the Human Family!

\*

To Prehistory let's pay homage;  
To Barbarism let's wring the neck!  
Parents-Bourgeois get on well,  
Anar-Comm isn't raving mad!

\*

AT LAST ALL IS NORMAL  
MATTER AND SPIRIT ARE ONE;  
**Chorus :**  
MASCULINE-FEMININE  
WHOLEHEARTEDLY AT PARITY
